

**2016 Partners for Progress Conference
October 12-14, 2016
Florida Hotel and Conference Center
Orlando, Florida**

Residential Options of Florida (ROOF) and the Florida Association of People Supporting EmploymentFirst (APSE) are excited to announce the 2016 Partners for Progress Conference that will be held October 12th to 14th, 2016 at the Florida Hotel and Conference Center in Orlando, Florida. ROOF's specialized state-wide network has partnered with the Florida chapter of APSE in hosting this event that will unite stakeholders from around the state to discuss and provide resources regarding affordable housing and employment strategies for people with developmental disabilities in Florida. The conference will feature multiple workshops and plenary speakers.

Partners for Progress provides a unique opportunity for communication and engagement between housing and employment professionals. Individuals with disabilities and their family members can meet and exchange ideas with each other and with professionals from organizations who are dedicated to improving the lives of Floridians with developmental disabilities through innovative programs in affordable housing and employment. This event will include an exhibit area with high foot traffic where your organization may showcase your products and services, network with other exhibitors, and connect with attendees.

Are you looking to meet with decision makers, service providers, educators, family members, self-advocates and enthusiastic organizations tackling the issues of finding affordable housing and employment for people with developmental disabilities? There are many levels of sponsorship to choose from, each with a variety of benefits. As a sponsor, you will have the opportunity to be recognized by ROOF and APSE for your support in the communities you serve.

Thank you for your involvement, and we look forward to seeing you at the 2016 Partners for Progress conference!
