

Dear Community Friend and Partner:

Residential Options of Florida is a 501(c)(3) nonprofit organization that develops and operates affordable and accessible housing for individuals with intellectual and developmental disabilities.

Income-qualified adults with intellectual and developmental disabilities can apply to rent a single-occupancy bedroom in a ROOF home. Highly affordable, rent can be as low as \$235 per month for each resident in a ROOF home.

Living in a ROOF home creates the opportunity for adults with intellectual and developmental disabilities to live in a fully-inclusive environment. ROOF residents exercise their independence by selecting the people or agencies that will provide support services (support coordinator, live-in caregiver, supported living coach, job coach, etc.) directly to them in their ROOF home.

A ROOF home in Southwest Florida

Living in a ROOF home!

ROOF owns a total of 6 homes in Southwest Florida: Collier County: 3 homes; Lee County: 2 homes, and Charlotte County: 1 home. In addition to a statewide Board of Directors, ROOF has active Boards of Trustees in six counties and is expanding across the state.

With your support, ROOF can continue to give the gift of independence to adults with intellectual and developmental disabilities.

Here are some ways you can help:

- Coordinate a fundraiser and give the proceeds to ROOF.
- Host a special event in your store or restaurant.
- Invite your friends over to your house for a party or a virtual get-together. Talk about ROOF's mission and ask for financial contributions.
- Create a Facebook page asking family and friends to donate to ROOF instead of buying you a present for your birthday or anniversary.
- Provide silent auction or door prize items for one of our events.
- Have a ROOF representative speak at your club, church, or civic meeting.

Please contact one of our Board or Committee members or our Executive Director, Sheryl Soukup at sheryl@froof.org, if you have any additional questions. ROOF is dedicated to helping people with intellectual and developmental disabilities live independently. **Join us!**
